Monthly Newsletter of Srijan International School

Pre-Primary Coordinator

Ms. Pooja Sethi

Dear Parents/Guardians,

As we move through another exciting term, I want to take a moment to celebrate the incredible growth and joy we've seen in our kindergarten classrooms. Each day, our young learners arrive full of curiosity, ready to explore, create, and connect with their peers. It is truly inspiring to watch their confidence and independence blossom.

This term, we've focused on building strong foundations in literacy, numeracy, and social-emotional development through hands-on activities, storytelling, play, and guided discovery. Thank you for your continued support at home—it plays such an important role in your child's learning journey.

We are also looking forward to upcoming events that will showcase the talents and efforts of our little ones. Please keep an eye out for updates and invitations—we can't wait to share these special moments with you.

As always, our doors are open, and we welcome your feedback, questions, or simply a chat about your child's progress. Together, let's continue making kindergarten a joyful and nurturing start to lifelong learning.

“Education is not the filling of a pail, but the lighting of a fire.” – William Butler Yeats

Education is the most powerful tool that shapes not only minds but also destinies. At Shemford Futuristic School, we believe every child carries immense potential waiting to be discovered. As Assistant Coordinator, I feel proud to be part of a journey where learning is not confined to books but extended to experiences that build confidence, creativity, and character.

Each achievement of our students reminds us that with the right guidance, encouragement, and opportunities, they can soar beyond limits. Together, with the dedication of our teachers and the support of our parents, we are nurturing a generation that is ready to dream big and achieve even bigger.

Assistant CCA Coordinator

Ms. Sonali

“August reminds us that every ending carries the promise of a new beginning. Let us welcome this month with renewed energy, gratitude, and determination to learn, grow, and inspire.”

Chief Editor

Ankita Choudhary

Dear Readers,

It gives me immense pleasure to present the August edition of our school newsletter, a month filled with learning, celebrations, and togetherness.

This issue highlights some of the most vibrant and meaningful events of the month. We proudly showcase the grandeur of our Independence Day celebrations, where students expressed their patriotic spirit through cultural performances, speeches, and activities that reminded us of the sacrifices behind our freedom.

We also reflect on the enriching CBSE Capacity Building Workshop for teachers, which provided our educators with new perspectives, skills, and strategies to enhance classroom learning.

In line with the National Education Policy, our school observed a Bagless Day, encouraging students to engage in hands-on learning, creativity, and joyful activities beyond textbooks.

Adding to the festive spirit, the joyous Janmashtami celebrations brought devotion and cultural vibrancy to our campus, as students depicted the life and teachings of Lord Krishna with enthusiasm.

Each event this month has been a testimony to our school's commitment to holistic education—nurturing minds, hearts, and values.

I extend my gratitude to all students, teachers, and parents for their active participation and support in making these events successful. Let us continue this journey of learning and growth with the same zeal and unity.

NCC

"Empowering Young Minds, One Drill at a Time:
NCC's Mission to Shape Future Leaders!"

Shemford Futuristic School, Birpur, Jammu, is proud to announce that its young girls have taken the first step towards becoming part of the prestigious National Cadet Corps (NCC). The first-year cadets were thrilled to receive training from the PI staff, led by ESM Hav Ravi Kumar, who imparted valuable knowledge and skills to these budding cadets.

Training session

The NCC training is an excellent opportunity for the young girls of Shemford Futuristic School to develop their leadership skills, discipline, and character. We are confident that these cadets will excel in their NCC journey and emerge as confident, capable, and compassionate leaders.

“The NCC instills in young minds the values of discipline, unity, and selfless service, shaping them into leaders who carry the spirit of the nation in their hearts.”

★Hon'ble Governor Honour our Star Performer!★

We are overjoyed to share that Reetika Sharma, a proud Shemfordian, who has achieved an outstanding 98% in Grade X and has been recognised by the Hon'ble Lieutenant Governor of J&K, Sh. Manoj Sinha 🙌🌟.

Receiving recognition from the Hon'ble Lieutenant Governor is a moment of immense pride for our school, reflecting Reetika's relentless dedication, brilliant intellect, and inspiring journey. 🏆🇮🇳

🌸 Congratulations, Reetika! You have not just made Shemford proud, but you have set an extraordinary example for every student to follow.

“Winning is not just about crossing the finish line first, it's about the courage to start, the strength to persist, and the spirit to never give up.”

Kite Flying Competition

"The winds of change are blowing, and the kites are soaring high!" 🌬️

Shemford Futuristic School, Birpur, Jammu hosted an exhilarating inter-house kite-flying competition that saw enthusiastic participation from students across different houses. The event was a celebration of creativity, skill, and teamwork, with each house showcasing their unique kite-flying prowess.

CBSE Capacity Building Program

"A healthy mind is the greatest wealth; let us nurture it with care and compassion."

Shemford Futuristic School, Birpur, Jammu, hosted a CBSE Capacity Building Programme on mental health, specifically designed for teachers. The programme, titled "Promoting Mental Health and Wellness among Students," was conducted by two esteemed CBSE resource persons, Ms. Manmeet Kour, Vice Principal, APS Jammu Cantt. and Ms. Parminder Kour, PGT IDPS Jammu.

Inter-house Chess Competition

"Chess is everything: art, science, and sport." - Garry Kasparov 🏰💡

Shemfordians showcased their strategic brilliance in the Inter-house Chess Competition 🏆. The event saw an intense battle of wits, with students from different houses competing fiercely to outmaneuver each other.

Bagless day

🎉 BAGLESS DAY CELEBRATION 🎉 A DAY OF CREATIVITY, BONDING and FUN! 😊

Our students experienced the joy of learning beyond books with our special BAGLESS DAY - a celebration of imagination, hands on learning and togetherness. 🌈★

"Inspiring Moments with DC Samba: Ms. Ayushi Sudan, IAS"

A Proud Moment for Shemford Futuristic School, Birpur Jammu ✨

Our students — Shaurya MV Choudhary, Karan Preet Singh, Lakshita, and Nandini Dabgotra — along with our Senior CCA Coordinator and Senior Academic Coordinator, had the honour of meeting Ms. Ayushi Sudan, IAS to extend heartfelt congratulations on her taking charge as Deputy Commissioner, Samba.

✨ SUMMER HOLIDAY HOMEWORK — Kindergarten stars!! ✨

We are overjoyed to see the incredible effort, creativity and enthusiasm our little learners have shown in completing their Summer Holiday Homework! 🖍️ 📚 from colourful drawings and thoughtful craft work to early writing number fun and storytelling - each piece of work reflects the love and dedication our tiny thoughts (and their supportive families!) put in during the break.

★ Shadow play fun in Nursery ★

Our little learners stepped into a world of Mystery and Magic as we explored the fascinating world of shadows! ✨

Our teachers created a playful and engaging shadow activity, where different character shadows were projected on the wall - from animals 🦋 to fairytale figures 🦄 - and the children had so much fun guessing who or what it could be!

Rainy DAY

"Rainy Days Are the Best Days! 🌧️💧" _
Shemford Futuristic School's little stars shone bright today at our Rain Party, where they reveled in a simulated precipitation extravaganza! 🎉🌈
The kids danced in the misty veil of our indoor rain simulation, played splash games amidst the artificial downpour, and thoroughly enjoyed every moment of this immersive experience. ☁️ It was a fun-filled day that brought unbridled joy to everyone's faces. 😊

Best out of waste

🇺🇸🌟 Best out of waste—Paper bag Activity 🌟🇺🇸

Our little environmental champions from Lkg had a fun and creative time turning old newspapers into useful paper bags! 🛍️🌱

Through this simple best out of waste activity, our tiny tots learned the importance of recycling and reusing, while exploring their creativity with hands on learning. It was heartwarming to see their enthusiasm and pride in making something useful all by themselves! ❤️🌞

Let's continue to nurture love for the environment and responsible habits from early age.

Seed Germination activity

🌱🌟 Growing Wonder in the Classroom! 🌟🌱

Our little learners are discovering how a tiny seed transforms into a sprouting plant!

Slogan writing

Creativity Unleashed, Slogans Unscripted! 🎨

Shemford Futuristic School, Birpur, Jammu conducted a Slogan Writing Activity for students across different grades. The event aimed to foster creativity, critical thinking, and effective communication among young minds.

Inter-School Third Language Competition

"Language is the dress of thought." - Samuel Johnson

We are thrilled to share that our student, Anushka Mishra of grade 7th B has bagged 3rd position in the Inter School 3rd Language Competition, "भाषा संपदा समारोह", hosted by Jammu Sanskriti School. She showcased exceptional talent in the French poem recitation competition, "Poeme Environnement", securing a notable position among the top three winners 🏆.

CBSE Capacity Building Workshop

"The beautiful thing about learning is that no one can take it away from you."

Shemford Futuristic School, Birpur, Jammu organized a comprehensive CBSE workshop on "Use of AI in Classrooms," bringing together educators and experts to explore the transformative potential of Artificial Intelligence in education. The workshop featured esteemed resource persons Ms. Kamini Kharbanda, Headmistress of APS Janglot, Kathua, and Mr. Vishal Gupta (PGT Physics), HOD Science at Jammu Sanskriti School.

Pre-Primary Teacher

Kindergarten is the very first step of a child's formal learning journey. It is not just about teaching letters and numbers, but about nurturing a love for learning, building curiosity, and helping children develop essential life skills. As teachers, our goal is to create a joyful, safe, and stimulating environment where every child feels valued and encouraged.

At this stage, we provide education which is activity-based and play-oriented. Children learn best when they explore, imagine, and create. Storytelling, rhymes, art, music, and hands-on activities not only make learning enjoyable but also help in developing language, motor skills, and social skills. We focus on building confidence, discipline, and values along with academics.

Every child is unique, and understanding their individual needs is at the heart of providing quality education. By offering personal attention, encouragement, and positive reinforcement, we help little learners grow at their own pace. Along with classroom learning, values like sharing, kindness, respect, and teamwork are instilled to shape them into responsible and caring individuals.

The foundation laid in kindergarten is the stepping stone for future success. When children are given the right environment, they develop a strong base in literacy, numeracy, creativity, and social-emotional growth. Our responsibility as educators is to ensure that every child feels happy, confident, and excited to come to school every day.

By combining love, patience, and innovative teaching methods, we aim to provide the best education in kindergarten—one that not only prepares children for academics but also for life.

AI और युवा वर्ग की नौकरियों का भविष्य

कृत्रिम बुद्धिमत्ता (AI) तकनीक ने दुनिया में क्रांति ला दी है। अब मशीनें न केवल इंसानों की तरह सोच सकती हैं, बल्कि तेजी से कार्य भी कर रही हैं। इससे एक ओर उत्पादकता बढ़ी है, वहीं दूसरी ओर युवाओं की नौकरियों पर बड़ा खतरा मंडरा रहा है।

AI के कारण कई पारंपरिक नौकरियाँ जैसे डेटा एंट्री, ग्राहक सेवा, लेखांकन आदि धीरे-धीरे मशीनों को सौंपी जा रही हैं। इससे युवाओं को अब यह डर सताने लगा है कि क्या उनके पास भविष्य में काम रहेगा या नहीं। खासकर वे छात्र जो सिर्फ डिग्री पर निर्भर हैं, उन्हें सबसे ज़्यादा चुनौती का सामना करना पड़ सकता है।

हालांकि, AI से नए अवसर भी पैदा हो रहे हैं – जैसे मशीन लर्निंग, डेटा साइंस, साइबर सिक्योरिटी आदि क्षेत्रों में। इसके लिए युवाओं को समय रहते अपने कौशल (skills) को अपडेट करना होगा।

इसलिए ज़रूरी है कि शिक्षा व्यवस्था अब केवल किताबी ज्ञान न देकर, छात्रों को तकनीकी और व्यावहारिक प्रशिक्षण भी दे। वरना आने वाला भविष्य नौकरियों के लिहाज़ से और भी चुनौतीपूर्ण हो सकता है।

ज्ञान ही सच्ची शक्ति है

विद्यालय जीवन हमारे जीवन की सबसे महत्वपूर्ण यात्रा होती है। यहाँ हम केवल पुस्तकों से ही नहीं, बल्कि जीवन जीने की कला भी सीखते हैं। शिक्षा हमें यह सिखाती है कि कैसे कठिनाइयों का सामना धैर्य और आत्मविश्वास से किया जाए।

आज की बदलती दुनिया में केवल पाठ्य पुस्तकों का ज्ञान ही काफी नहीं है। हमें खेल, कला, संगीत और तकनीक जैसे क्षेत्रों में भी आगे बढ़ना चाहिए। इससे न केवल हमारी सोच का दायरा बढ़ता है बल्कि हमारी रचनात्मकता भी विकसित होती है।

विद्यालय हमें यह अवसर प्रदान करता है कि हम टीमवर्क, अनुशासन और आपसी सहयोग जैसे गुणों को अपने अंदर उतारें। यही गुण हमें जीवनभर सफलता की ओर ले जाते हैं।

आइए, हम सब यह संकल्प लें कि शिक्षा को केवल अंकों तक सीमित न रखकर, उसे जीवन में उतारें। क्योंकि सच्ची सफलता वही है, जो हमें एक अच्छा इंसान बनाए।

शिक्षा का महत्व

शिक्षा मनुष्य के जीवन का वह दीपक है जो अज्ञान के अंधकार को मिटाकर ज्ञान का प्रकाश फैलाता है। यह केवल किताबों तक सीमित नहीं है, बल्कि जीवन को सही दिशा देने वाली प्रक्रिया है।

आज के युग में शिक्षा ही वह साधन है जो हमें सही और गलत में भेद करना सिखाती है। यह आत्मविश्वास बढ़ाती है और हमें अपने सपनों को साकार करने की शक्ति देती है। एक पढ़ा-लिखा समाज ही प्रगति कर सकता है, क्योंकि शिक्षा से ही नई सोच, नई खोज और नए विचार जन्म लेते हैं।

स्कूल शिक्षा की पहली सीढ़ी है, जहाँ हम अनुशासन, परिश्रम और नैतिक मूल्यों को सीखते हैं। एक विद्यार्थी का कर्तव्य है कि वह मन लगाकर पढ़ाई करे और अच्छे संस्कार अपनाए। तभी वह भविष्य में एक जिम्मेदार नागरिक बनकर अपने परिवार, समाज और देश का नाम रोशन कर सकता है।

इसलिए, हमें शिक्षा का महत्व समझना चाहिए और इसे अपने जीवन का अभिन्न हिस्सा बनाना चाहिए।

हिंदी साहित्य की वर्तमान स्थिति और चुनौतियाँ

हिंदी साहित्य की दुनिया में कई बदलाव हो रहे हैं। आजकल हिंदी अखबारों में हिंदी लेखकों की रचनाएँ कम ही देखने को मिलती हैं। इसकी एक वजह यह है कि अधिकतर अखबार अंग्रेजी से अनुवादित सामग्री पर अधिक ध्यान देते हैं। इस बदलाव के कारण हिंदी लेखकों को अपनी रचनाएँ प्रकाशित करवाने में मुश्किलें आ रही हैं।

हिंदी अखबारों में अनुवाद की समस्या

एक अध्ययन के अनुसार, दैनिक भास्कर, हिंदुस्तान, अमर उजाला जैसे बड़े अखबारों में 70% से अधिक सामग्री अंग्रेजी से अनुवादित होती है। वहीं, दैनिक जागरण में यह अनुपात थोड़ा अलग है, जहां मूल हिंदी सामग्री अधिक होती है। अनुवाद की इस बढ़ती प्रवृत्ति के कारण हिंदी साहित्य की मूल रचनाएँ पीछे छूटती जा रही हैं।

हिंदी लेखकों के लिए चुनौतियाँ

हिंदी लेखकों के लिए आजकल अपनी रचनाएँ प्रकाशित करवाना मुश्किल हो गया है। अखबारों में जगह न मिलने से वे ऑनलाइन मंचों की ओर बढ़ रहे हैं। फेसबुक, ब्लॉग, यूट्यूब जैसे प्लेटफॉर्म्स ने लेखकों को अपनी बात कहने का मौका दिया है। लेकिन इन मंचों पर भी प्रतिस्पर्धा बहुत अधिक है, और अपनी रचना को अलग पहचान दिलाना एक बड़ी चुनौती है।

हिंदी साहित्य का भविष्य

हिंदी साहित्य का भविष्य उज्ज्वल है, लेकिन इसके लिए हमें हिंदी लेखकों को प्रोत्साहित करना होगा। हमें अपनी भाषा और साहित्य पर गर्व करना चाहिए और इसकी रक्षा के लिए काम करना चाहिए। हमें हिंदी साहित्य के महत्व को समझना होगा और इसे बढ़ावा देने के लिए काम करना होगा।

हिंदी साहित्य को बचाए रखने के उपाय

हिंदी साहित्य को बचाए रखने के लिए हमें कई कदम उठाने होंगे। हमें हिंदी लेखकों को प्रोत्साहित करना होगा, हिंदी साहित्य के महत्व को समझना होगा, और इसे बढ़ावा देने के लिए काम करना होगा। हमें हिंदी अखबारों में मूल हिंदी सामग्री को बढ़ावा देना होगा और अनुवाद की प्रवृत्ति को कम करना होगा।

L'Autonomisation des Femmes : Un Levier pour le Progrès

L'autonomisation des femmes est un élément clé pour une société juste et prospère. Elle implique l'accès des femmes à l'éducation, à l'indépendance économique, à la participation politique et à la protection contre la violence de genre. Ces éléments sont essentiels pour permettre aux femmes de prendre des décisions sur leur vie et d'apporter des contributions significatives à leurs communautés.

L'éducation est la première étape vers l'émancipation, en ouvrant des portes à des carrières et à des opportunités. L'autonomisation économique, par le biais de l'accès à des emplois et à l'entrepreneuriat, permet aux femmes de sortir de la pauvreté et d'améliorer leur qualité de vie. En politique, la représentation des femmes garantit des décisions plus inclusives et équilibrées.

De plus, la lutte contre la violence de genre est indispensable pour protéger les droits des femmes et leur permettre de s'épanouir librement.

L'autonomisation des femmes bénéficie non seulement aux femmes elles-mêmes, mais à l'ensemble de la société, en créant un environnement plus équitable et prospère pour tous.

ماحولیات کی حفاظت

ماحولیات سے مراد وہ تمام چیزیں ہیں
جو ہمارے ارد گرد موجود ہیں، جیسے ہوا،
پانی، زمین، درخت، جانور اور انسان۔
ایک صاف، صحت مند اور خوبصورت
ماحول ہماری زندگی کے لیے بہت ضروری
ہے۔ اگر ماحول آلودہ ہو جائے تو نہ صرف
انسان بلکہ تمام جاندار خطرے میں پڑ
جاتے ہیں۔

بدقسمتی سے، آج کل ماحول آلودگی،
کچرے، درختوں کی کٹائی، اور کارخانوں
کے دھوئیں کی وجہ سے خراب ہو رہا ہے۔ ان
چیزوں سے نہ صرف ہوا خراب ہوتی ہے
بلکہ پانی اور زمین بھی متاثر ہوتی ہے۔
اس سے بیماریاں پھیلتی ہیں اور موسم
میں بھی تبدیلی آتی ہے۔

ماحول کی حفاظت کے لیے ہمیں درخت
لگانے چاہئیں، پانی اور بجلی کا ضیاع
نہیں کرنا چاہیے، پلاسٹک کا کم استعمال
کرنا چاہیے اور کوڑا کرکٹ مناسب جگہ پر
پھینکنا چاہیے۔ ہمیں جانوروں کا بھی
خیال رکھنا چاہیے کیونکہ وہ بھی ماحول
کا حصہ ہیں۔

ماحول کو صاف رکھنا ہماری قومی،
اخلاقی اور دینی ذمہ داری ہے۔ اگر ہم آج
ماحول کا خیال رکھیں گے تو آنے والی
نسلوں کو ایک بہتر دنیا ملے گی۔

شاعر: علامہ محمد اقبالؒ

آتا ہے یاد مجھ کو گزرا ہوا زمانہ
وہ باغ کی بہاریں، وہ سب کا چہچہانا
آزادیاں کہاں وہ اب اپنے گھونسلے کی
اپنی خوشی سے آنا اپنی خوشی سے جانا

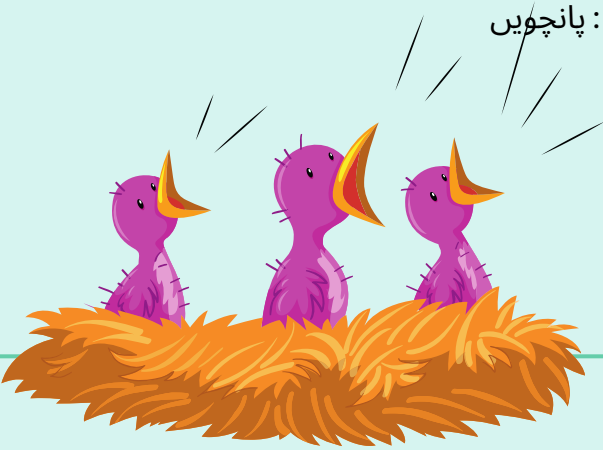

لگتی ہے چوٹ دل پر آتا ہے یاد جس دم
شبم کے آنسوؤں پر کلیوں کا مسکرانا
وہ پیاری پیاری صورت وہ کامنی سی مورت
آباد جس کے دم سے تھا میرا آشیانہ

آتی نہیں صدائیں اس کی مرے قفس میں
بوتی مری ربائی، اے کاش میرے بس میں
کیا بد نصیب ہوں میں، گھر کو ترس رہا ہوں
ساتھی تو ہیں وطن میں، میں قید میں پڑا ہوں

آئی بہار کلیاں، پھولوں کی ہنس رہی ہیں
میں اس اندھیرے گھر میں قسمت کو رو رہا ہوں
اس قید کا الہی دکھڑا کس سے سناؤں
ڈرے یہیں قفس میں، میں غم سے مر نہ جاؤں

جب سے چمن چھٹا ہے، یہ حال ہو گیا ہے
دل غم کو کھا رہا ہے، غم دل کو کھا رہا ہے
گانا اسے سمجھ کر خوش ہوں نہ سننے والے
دکھتے ہوئے دلوں کی فریاد، یہ صدا ہے

آزاد مجھ کو کر دے او قید کرنے والے
میں بے زباں ہوں قیدی، تو چھوڑ کر دعا لے!

SIX FUNDAMENTAL RIGHTS IN INDIA

1

RIGHT TO EQUALITY

Right to equality (Article 14 to 18) prohibits the inequality on the basis of caste, religion, place of birth, race and gender. It ensures equal rights for all citizens.

2

RIGHT TO FREEDOM

These rights (Article 19, 20, 21 A, 22) are freedom of speech, freedom of expression, freedom of movement throughout the territory of our country, freedom to practice any profession, freedom to reside in any part of the country. However, these rights have their own restrictions.

3

RIGHT AGAINST EXPLOITATION

Right against Exploitation (Article 23 and 24) condemns human trafficking, child labor, forced labor making it an offense punishable by law.

4

RIGHT TO FREEDOM OF RELIGION

(Article 25 to 28) It guarantees religious freedom and ensures secular states in India. All people have freedom of conscience and right to preach, practice and propagate any religion of their choice.

5

CULTURAL AND EDUCATIONAL RIGHTS

(Article 29 and 30) Cultural Rights protects the rights of cultural, religious and linguistic minorities by enabling them to conserve their heritage and protecting them against discrimination. Educational rights ensure education for everyone irrespective of their caste, gender, religion, etc.

6

RIGHT TO CONSTITUTIONAL REMEDIES

Right to constitutional remedies (Articles 32 to 35) empowers the citizens to move to a court of law in case of any denial of the fundamental rights.
